Re: Bill Foster for Congress Committee  
FEC ID No. C00435099

Dear Ms. Hough:

This is in response to your letter dated January 6, 2009 concerning the 30 Day Post-General Report (10/1/08-11/24/08) of the above referenced Committee.

You ask about 48 hour reports filed by Bill Foster for Congress Committee (the ""Committee"") for some contributions received on October 23rd and one on October 27th. The Committee has reviewed its 48 hour reports and has discovered the contributions you question from October 23rd were not reported within 48 hours. The Committee has changed its procedures to ensure that this omission will not occur again.

The contribution from the American Optometric Association PAC was received by the Committee outside of the 48 hour reporting period. Due to a typographical error, the contribution was mistakenly reported with the check date of October 27, 2008 instead of the received date of November 19, 2008. The Committee has amended its reports to show the correct date received.

We hope that this information adequately addresses your questions. If you need any further information, please do not hesitate to contact the Committee.

Sincerely,

Regina Rameika  
Treasurer  
Bill Foster for Congress Committee
